summits and hosts celebs from Bollywood and around the world, with attendance of investors & high net-worth individuals, politicians & technology people.

Under the foundation and leadership of cardiologist Dr. Romesh Japra, FOG intends to create a platform that will leverage access of Indian independent filmmakers with the whose who of the Silicon Valley hub.

Says founder Dr. Romesh Japra, "it is a moment of pride for us to have this great actor of Indian cinema as our prestigious guest for this year. Our journey with the festival began 25 years ago, right about the time Manoj ji made his foray into Indian cinema. We are grateful for having him and welcoming him to The Bay Area and pay a fine tribute and introduce him to our 'golden' city and his thousands of fans."

Mumbai-based actor Prashantt Guptha serves as the Indian Ambassador of this illustrious platform in the USA. Last seen in the films NEERJA and IRADA, he claims, "I feel I have a long way ahead with Manoj ji. I met him a few months ago after which I wrote an open letter about which went viral. To now have him on board this platform which I have been attached to for 3 years, seems to suggest a deeper connect with this acting idol of mine."
